Call for Papers

Annals of Operations Research
Special Volume on
Probability Methods in Business and Industry
In Honor of Benjamin Avi-Itzhak and Matthew J. Sobel

The deadline for submission HAS BEEN EXTENDED TO MARCH 1, 2017 The main topics of interest are:

Big Data
Inventory Theory
Markovian Decision Processes
Queueing Theory
Stochastic Models

This call is open to participants of the Third Rutgers Applied Probability Conference, that was held on June 6-7, 2014 at Rutgers and to other researchers whose work is within the scope of the volume.

Instructions for authors:
Authors should submit a cover letter and a manuscript by March 1, 2017, via the Journal’s online submission site at: http://anor.edmgr.com

Be sure to select the article type “SI:Avi-Itzhak-Sobel:Probability” and note that your work is intended for the special issue.

Papers will be subject to a strict review process managed by the Guest Editors and accepted papers will be published online individually, before print publication.

Manuscripts submitted after the MARCH 1, 2017, deadline may not be considered for the special volume.
