Call for Papers
Discrete Applied Mathematics
Special Issue: New Progress in Combinatorial Optimization

_____

This special issue will present recent advances in all areas of Combinatorial Optimization. The issue will be based on contributions presented at the ECCO XXXI – CO 2018 Joint Conference, Fribourg, June 14-16, 2018), but the invitation to submit is extended to all ECCO and CO members.

The deadline for submission is **January 15, 2019.**

Main topics of interest are (but not restricted to):
• Approximation algorithms
• Exact algorithms
• Graphs and networks
• Heuristics
• Mathematical programming
• Metaheuristics
• Scheduling

All articles will be thoroughly refereed according to the high standards of *Discrete Applied Mathematics*.

The full papers must be submitted through the Elsevier Editorial System http://ees.elsevier.com/dam. When submitting your paper, be sure to specify that the paper is a contribution for the Special Issue of ECCO XXXI – CO 2018, so that your paper is assigned to the guest editors. Please see the Author Instructions on the site if you have not yet submitted a paper through this web-based system. Be sure to note that your work is intended for the Special Issue and to select the article type **SI: ECCO-CO 2018**.

Accepted papers will be published online individually, before print publication.

We are looking forward to receiving your contribution.

The Guest Editors,
Bo Chen
Silvano Martello
Bernard Ries
