

## *Call for Papers*

### **Annals of Operations Research**

#### **Special Issue: Multi-criteria Decision Making for Sustainable Decisions**

Submission Deadline: January 31, 2018

The *Annals of Operations Research* seeks submissions from researchers with expertise on new developments in multi-criteria decision making, multi-objective optimization, multi-criteria optimization, goal programming, and applications to sustainability. This special issue is targeted at, but not restricted to, the 24<sup>th</sup> International Conference on Multiple Criteria Decision Making held July 10-14, 2017, in Ottawa, Canada. The general theme for this year was “Canada 150: Creating a Sustainable Society.”

The main topics of interest for this special issue are:

- Advances in multi-criteria decision making
- Integrated MCDM applications
- MCDM / MOO software development
- Multi-objective optimization
- Evolutionary multi-objective
- Goal programming
- Stochastic multi-criteria optimization
- Data Envelopment Analysis
- Interactive methods in MCDM
- Stakeholder’s influence in the MCDM
- Application to sustainable management, environmental management, finance, economics, management science, healthcare, and supply chain management

All papers submitted to the special issue will be peer reviewed in accordance with the standard procedures of the *Annals of Operations Research (ANOR)* journal.

Contributions arising from papers given at the conference should be substantially extended, and should cite the conference paper where appropriate.

## **Manuscript Preparation and Submission**

Authors should submit their papers via the journal's online submission site

<http://www.editorialmanager.com/anor/> and should select the article type **S.I. : MCDM 2017** .

Authors must follow the ANOR "Guide for Authors" at

<http://www.springer.com/business/operations+research/journal/10479> .

Submitted papers should not have been previously published or be currently under consideration for publication elsewhere.
