Annals of Operations Research

Special Volume: Managerial Multiple Objective Optimization

Guest Editors: Ralph E. Steuer, José Rui Figueira, and Hatem Masri

The aim of this special issue is to publish expanded versions of selected papers presented during the 11th International Conference on Multiple Objective Programming and Goal Programming (MOPGP'15) to be held from 13 to 15 December 2015 in Tlemcen, Algeria. Also, the special issue will consider papers not presented during MOPGP'15.

Subject Coverage

Topics include all areas of Multiple Objective Optimization (MOP), in particular (but not limited to) those addressing managerial issues in MOP:

- Theories and applications in MOP
- Discrete and combinatorial MOP
- Stochastic and Dynamic MOP
- Game theory and MOP
- MOP in organizations, finance and marketing

Notes for Prospective Authors

Submitted papers should be original and not have been previously published nor be currently under consideration for publication elsewhere.

All papers must be submitted through the *Annals of Operations Research* online submission system at **www.editorialmanager.com/anor/default.aspx**. Please indicate that your work is intended for the special issue "Managerial Multiple Objective Optimization." This is done by selecting article type **S.I.: Multiple Objective Optimization**. Manuscripts submitted after the deadline may not be considered for the special issue and may be transferred to a regular issue.

Papers will be subject to a strict review process managed by the Guest Editors and accepted papers will be published online individually, before print publication.

All inquiries about the special issue should be directed to the Guest Editors:
