**Call for Papers**  
***Annals of Operations Research***  
**Special Volume:**  
***Sustainable Human Environments and Operations Research***

---

The ***Annals of Operations Research*** seeks submissions for a special volume on **Sustainable Human Environments and Operations Research**.

The deadline for submission is: 30 September, 2015.

**The main topics of interest are:**

- OR and urban planning
- Innovative applications of OR for Smarter Cities (both operational and planning)
- Participative Decision Making
- Policy analytics comparison
- City rankings
- Social innovation and communities
- Security applications
- Crisis management (service disruption, adaptation, mitigation ...)
- Intelligent decision support for policy design, implementation, and assessment
- Urban indicators and urban systems

**Instructions for authors can be found at:**

<http://www.springer.com/business/operations+research/journal/10479>

Authors should submit a cover letter and a manuscript by September 30, 2015, via the Journal's online submission site. Manuscripts submitted after the deadline may not be considered for the special volume and may be transferred to a regular volume.

Please see the Author Instructions on the web site if you have not yet submitted a paper through Springer's web-based system, *Editorial Manager*. Be sure to note when leaving a comment that your work is intended for the special volume and to select the article type

**"S.I.: Sustainable Human Environments and OR."**

Papers will be subject to a strict review process managed by the Guest Editors and accepted papers will be published online individually, before print publication.

**Guest Editors:**
