

Call for Papers
Annals of Operations Research
Optimization under Uncertainty Costs, Risks and Revenues
Cyrus Derman Memorial Volume¹

The *Annals of Operations Research* seeks submissions for a special volume on *Optimization under Uncertainty Costs, Risks, and Revenues* in honor of Professor Cyrus Derman.

The deadline for submission is September 16, 2011.

We are interested in new research and review articles in the following topics:

- **Markovian Decision Theory**
- **Inventory Theory**
- **Queueing Theory**
- **Stochastic Programming**
- **Supply Chain Management**
- **Related Topics in Finance**
- **Reliability and Risk Management**

Instructions for authors:

- For manuscript preparation instructions see the INSTRUCTIONS FOR AUTHORS at: <http://anor.edmgr.com>
- Authors should submit a cover letter and a manuscript by September 16, 2011, via the journal's online submission site at: <http://anor.edmgr.com>
- Be sure to note when asked to "Enter Comments" that your work is intended for the Special Issue and to select the article type "**SI: Derman: Optimization**".
- Papers will be subject to a strict review process managed by the Guest Editors and accepted papers will be published online individually, before print publication.
- Manuscripts submitted after the September 16, 2011, deadline may not be considered for the special volume.

Guest Editors: Michael N. Katehakis², Sheldon M. Ross³ and Jian Yang⁴

¹ Cyrus Derman passed away on April 27, 2011. This volume was initially intended to be dedicated to his 86th birthday. Papers submitted for that volume will be automatically considered for publication in this memorial volume.
