Annals of Operations Research
Special Volume:
Locational Analysis and Related Problems-
X Anniversary of the Spanish Location Network

Annals of Operations Research seeks submissions for a special volume arising from the ***Locational Analysis and Related Problems - X Anniversary of the Spanish Location Network***. The deadline for submission is **November 15, 2013**. This special volume will contain selected papers from those presented at the *International Workshop on Locational Analysis and Related Problems* (<http://www.webs.ulpgc.es/locafin>). Additionally, papers not presented at the Workshop but that are within the scope of the volume will be considered.

The main topics of interest are:

- Location
- Networks
- Transportation
- Routing problems
- Computational geometry
- Logistics

Instructions for authors can be found at:

<http://www.springer.com/business/operations+research/journal/10479>

Authors should submit a cover letter and a manuscript by November 15, 2013, via the Journal's online submission site. Manuscripts submitted after the deadline may not be considered for the special volume and may be transferred to a regular volume.

Please see the Author Instructions on the web site if you have not yet submitted a paper through Springer's web-based system, *Editorial Manager*. Be sure to note that your work is intended for the special volume and to select the article type "**SI: Location Analysis**"

Papers will be subject to a strict review process managed by the Guest Editor and accepted papers will be published online individually, before print publication.
